Winner of the 2020 Medici Prize for Foreign Novel From the award-winning author of the Man Booker Prize finalist Like a Fading Shadow, Antonio Muñoz Molina presents a flâneur-novel tracing the path of a nameless wanderer as he walks the length of Manhattan, and his mind. De Quincey, Baudelaire, Poe, Joyce, Benjamin, Melville, Lorca, Whitman . . . walkers and city dwellers all, collagists and chroniclers, picking the detritus of their eras off the filthy streets and assembling it into something new, shocking, and beautiful. In To Walk Alone in the Crowd, Antonio Muñoz Molina emulates these classic inspirations, following their peregrinations and telling their stories in a book that is part memoir, part novel, part chronicle of urban wandering. A skilled collagist himself, Muñoz Molina here assembles overheard conversations, subway ads, commercials blazing away on public screens, snatches from books hurriedly packed into bags or shoved under one's arm, mundane anxieties, and the occasional true flash of insight—struggling to announce itself amid this barrage of data—into a poem of contemporary life: an invitation to let oneself be carried along by the sheer energy of the digital metropolis. A denunciation of the harsh noise of capitalism, of the conversion of everything into either merchandise or garbage (or both), To Walk Alone in the Crowd is also a celebration of the beauty and variety of our world, of the ecological and aesthetic gaze that can, even now, recycle waste into art, and provide an opportunity for rebirth.

A career-spanning anthology of essays on politics and culture by the best-selling author of The Flamethrowers includes entries discussing a Palestinian refugee camp, an illegal Baja Peninsula motorcycle race, and the 1970s Fiat factory wildcat strikes.

He told me to go away. I did. I followed his instructions. I left with the new family. They were from the right side of the tracks and I tried to become one of them. I really did, but I failed. When someone died, someone that I loved, I couldn't keep pretending everything was fine. It wasn't. This privileged world he gave me wasn't privileged. There were problems. He just never told me that he created them, that he had sent me into a world he set up for me. It was all a lie, but it was lie that I was going to expose. Or I would die trying. **This is a standalone.

A witty, heartfelt novel that brilliantly evokes the confusions of adolescence and marks the arrival of an extraordinary young talent. Isidore Mazal is eleven years old, the youngest of six siblings living in a small French town. He doesn't quite fit in. Berenice, Aurore, and Leonard are on track to have doctorates by age twenty-four. Jeremie performs with a symphony, and Simone, older than Isidore by eighteen months, expects a great career as a novelist—she's already put Isidore to work on her biography. The only time they leave their rooms is to gather on the old, stained couch and dissect prime-time television dramas in light of Aristotle's Poetics. Isidore has never skipped a grade or written a dissertation. But he notices things the others don't, and asks questions they fear to ask. So when tragedy strikes the Mazal family, Isidore is the only one to recognize how everyone is struggling with their grief, and perhaps the only one who can help them—if he doesn't run away from home first. Isidore's unstinting empathy, combined with his simmering anger, makes for a complex character study, in which the elegiac and comedic build toward a heartbreaking conclusion. With How to Behave in a Crowd, Camille Bordas immerses readers in the interior life of a boy puzzled by adulthood and beginning to realize that the adults around him are just as lost.

Innovative illustrator Kirk Parrish brings the iconic song "Move the Crowd" to life for the first time as a children's picture book. With knowledge of self, there's nothing I can't solve At 360 degrees I revolve This is actual fact, it's not an act, it's been proven Indeed and I proceed to make the crowd keep moving Innovative illustrator Kirk Parrish brings the iconic song "Move the Crowd" to life for the first time as a children's picture book. The lyrics to Eric B. and Rakim's hit song provide the inspiration for this instant classic. Follow along as Parrish pairs the lyrics with colorful illustrations about a boy being absorbed into his stereo and dropped into a colorless world where the music is dull and the people uninspired. The ensuing transformation he brings to the crowd with his music is one that the whole family can enjoy together.

My entire world was turned upside down the day my mum died. I feared what my life would become when an aunt I never knew about came swooping in and threw me into the unknown. She was rich. I couldn't even afford a pack of gum. We were complete opposites, yet I wanted a fresh start in life, and she was promising to give me that. I just had to live with her for a year, until I graduated college. However, from the very first day it became clear that I was completely out of my depth. It was a deal I couldn't pass up, not if I wanted to stay off the streets until I could find a job to support myself.Everyone at Kingsley Academy was in a league of their own. The girls were high-class, yet as fake as Barbie dolls, and the boys were handsome with that appealing bad boy edge. Especially Kaiden Kingsley. He was charismatic, athletic, and sexy as hell. He also hated me so much he was willing to do anything to send me back to where I came from. And I didn't even know why. He was cold, cruel and twisted in a way I could never compete with, yet I found myself gravitating towards him. Secrets, lies and deceit. Everyone reeked of it. I wanted answers—needed them. Before my mum died, I thought I knew everything about her. It turns out, I didn't know her at all. There's a reason she left all this behind; a reason why Kaiden and his elite group are on a mission to punish me.And I'm going to find out.WARNING: Strong content that may be a trigger to some readers.
