to move on, but all Clara wants is to stand still. Bebe Franklin writes terrible soap episodes and needs a career change. Her boss hates her; her friends are sharp as knives; all Bebe wants to do is run. And she does—straight into Clara's calm, ordered, and extraordinary life. For Clara can see ghosts and waits for her dead lover. How can Bebe compete with a love that transcends death, a love that knows no rest? A love that haunts all it touches.

Always a congenial companion and teacher, Merry White shows us a whole society in a beautifully made cup." --Corby Kummer, The Atlantic "Merry White's book is vital reading for anyone interested in culture and coffee, which has a surprising and surprisingly long history in Japan. Tracing the evolving role of the country's cafes, and taking us on armchair visits to some of the best, White makes us want to board a plane immediately to sample a cup brewed with 'kodawari,' a passion bordering on obsession. Her portrait of their endurance, proliferation, and diversity aptly illustrates how coffee drinking establishments accommodate social and personal needs, catering to a range of tastes and functions. On this mission their captain, Inish Scull, is captured by the brutally cruel Mexican bandit Ahumado, and Gus and Call must come to the rescue, with the aid of new friends including Joshua Deets, Jake Spoon, and Pea Eye Parker, as well as the renowned Kickapoo tracker, Famous Shoes. On the way to Montana they travel through wild country full of thieves, murderers, and a lifetime's worth of unforgettable adventure. The long pursuit of Garza leads them all across the last wild stretches of the West into a hellhole known as Crow Town and, finally, into the vast, relentless plains of the Texas frontier.
