Students learn a process for solving future communication problems, and how to use the Internet and electronic media to deliver their messages, resulting in a tangible communication strategy they can use throughout their careers.NETA TestbankThe Nelson Education Teaching Advantage (NETA) program delivers research-based resources that promote student engagement and higher-order thinking and enable the success of Canadian students and educators. This book's premium testbank is designed to ensure top quality multiple-choice testing by avoiding common errors in question and test construction. If you want your students to achieve "beyond remembering", ask your Nelson Sales Representative how today!~~

~~Equip your students with the communication tools needed for success in today's workplace with this comprehensive, business-savvy text! Business Communication 2e has an exciting new contemporary design with clear easy-to-follow instructions guiding students through the chapters. Two new chapters have been added to this edition, increasing the emphasis on English Grammar and Writing Mechanics. Help students master the basics of workplace communication with proven instructional techniques, time-tested learning approaches, and complete teacher support. Topics such as exchanging information via telecommunications software, electronic mail, images and multimedia, and on-line information services are presented. Students refine writing, listening, speaking, computing, and research skills while using the latest technology tools. This text is ideal for the year-long business communication class. Business Communication 2e is the total solution for teachers who want comprehensive coverage of business document preparation. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.~~

BUSINESS COMMUNICATION: IN PERSON, IN PRINT, ONLINE, 9E offers a realistic approach to communication in today's organizations. The text covers the most important business communication concepts in detail and thoroughly integrates coverage of today's social media and other communication technologies. Building on core written and oral communication skills, the ninth edition helps readers make sound medium choices and provides guidelines and examples for the many ways people communicate at work. Readers learn how to create PowerPoint decks, use instant messaging and texting effectively at work, engage customers using social media, lead web meetings and conference calls, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

BUSINESS COMMUNICATION: PROCESS AND PRODUCT, 9E prepares readers for success in today's digital workplace. This book introduces the basics of communicating effectively in the workplace, using social media in a professional environment, working in teams, becoming a good listener, and developing individual and team presentations. Authors Mary Ellen Guffey and Dana Loewy also offer a wealth of ideas for writing resumes and cover letters, participating in interviews, and completing follow-up activities. Optional grammar coverage in each chapter, including a comprehensive grammar guide in the end-of-book appendix, helps readers improve critical English language skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A trusted market leader, Guffey/Loewy's **ESSENTIALS OF BUSINESS COMMUNICATION, 10E** presents a streamlined approach to business communication that includes unparalleled learning resources for instructors and students. **ESSENTIALS OF BUSINESS COMMUNICATION** includes the authoritative text and a self-teaching grammar and mechanics handbook at the back of the text as well as extraordinary print and digital exercises designed to build grammar, punctuation, and writing skills. As students learn basic writing skills, they are encouraged to apply these skills to a variety of e-mails, memos, letters, reports, and resumes. Redesigned, updated model documents and extensively updated exercises and activities introduce students to the latest business communication practices. The latest edition of this award-winning text features complete coverage of social media communication, electronic messages, and digital media to prepare students for workplace communication success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

BUSINESS COMMUNICATION: PROCESS AND PRODUCT, 8e, is designed to prepare students for success in today ' s digital workplace. The textbook presents the basics of communicating in the workplace, using social media in a professional environment, working in teams, becoming a good listener, and presenting individual and team presentations. Authors Mary Ellen Guffey and Dana Loewy also offer a wealth of ideas for writing resumes and cover letters, participating in interviews, and completing follow-up activities. Optional grammar coverage in each chapter, including a comprehensive grammar guide in the end-of-book appendix, helps students improve their English language skills. Learn business communications your way with Lehman/DuFrene/Walker's **BCOM, 10E** from 4LTR Press. This inviting, easy-reference book guides you through mastering today's business communication concepts and skills. Visually engaging, brief chapters offer numerous learning features and helpful study tools like Chapter Review Cards that consolidate review material into a ready-made study tool. You choose the format that best suits your learning preferences. **BCOM, 10E** is perfect if you prefer to use the printed book as your primary learning tool and reference resource for refining your business communication skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

BUSINESS COMMUNICATION: IN PERSON, IN PRINT, ONLINE, 10E prepares readers to become successful employees and leaders with a realistic approach to communication. This book covers the most important business communication concepts in detail and within the context of how communication actually happens in organizations today. Company examples and situations keep readers engaged while demonstrating how principles work in the real world. In addition to core written and oral communication skills, readers learn to navigate complex relationships and use current, sophisticated technologies. Learners also become skilled in creating PowerPoint decks, managing their online reputation with LinkedIn and other tools, engaging customers using social media, leading web meetings and conference calls, and more. Self-reflection questions throughout the book help readers develop a deeper understanding of themselves and how to communicate to reach personal and professional goals. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
