Economics textbook in the world. It continues to be innovative while teaching students in a clear, unbiased way. The 19th Edition builds upon the tradition of leadership by sticking to 3 main goals: Help the beginning student master the principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

McConnell/Brue/Flynn has long set the standard for providing high-quality content to instructors and students all over the world. It has remained the most widely used principles of economics product as a result of persistent innovation. The 19th edition brought adaptive technology to the market for the first time with LearnSmart, a resource that ensures that every minute a student spends studying is the most efficient and productive time possible. Feedback from users in combination with the analysis of student performance data from the 19th edition's digital products significantly informed the revision of the 20th edition, resulting in a product expertly tailored to the needs of today's students. With the 20th edition, students and instructors will benefit from a new offering that expands upon the dynamic and superadaptive capabilities of LearnSmart: SmartBook, the first and only adaptive eBook. McConnell/Brue/Flynn's tradition of innovation continues with the 20th edition, providing market-leading content and digital mastery to benefit today's learners. A one-semester Principles of Macroeconomics course. Found either as the first course in Economics at the undergraduate level or at the MBA level. McConnell/Brue/Flynn is the market-leading text and should be comped to any mid-level school that is searching for a well-balanced, neutral text; it is an excellent committee book.

Building on the tremendous success of their best-selling Economics, Brue, McConnell, and Flynn have revised their one-semester approach in Essentials of Economics, 3e to provide a fresh alternative for the survey course. The result is a patient, substantive treatment of micro and macro topics appropriate for the introductory economics student, and fully integrated in the digital environment to provide instant remediation and feedback through McGraw-Hill's innovative assessment tool Connect Plus Economics. McGraw-Hill's adaptive learning component, LearnSmart, provides assignable modules that help students master core concepts in the course.
