The market leading undergraduate investments textbook, Essentials of Investments, 8e by Bodie, Kane and Marcus, emphasizes asset allocation while presenting the practical applications of investment theory. The authors have eliminated unnecessary mathematical detail and concentrate on the intuition and insights that will be useful to practitioners throughout their careers as new ideas and challenges emerge from the financial marketplace. The eighth edition has been fully updated to reflect the recent financial crisis and includes a new chapter on Hedge Funds.

Essentials of Investments by Bodie, Kane, and Marcus, continues to evolve along with the changes in the financial markets yet remains organised around one basic theme - that security markets are nearly efficient. This text places great emphasis on asset allocation while presenting the practical applications of investment theory. The text also focuses on investment analysis, presenting the practical applications of investment theory and convey practical value insights. In

their efforts to link theory to practice, the author team also makes their approach consistent with that of the CFA Institute. Included are questions from previous CFA exams in the end-of-chapter problems and CFA-style questions derived from the Kaplan-Schweser CFA preparation courses.

Offers a practical and theoretical coverage of investments market. This book places emphasis on asset allocation, and offers a treatment of futures, options, and other derivative security markets.

Provides students with an inexpensive note-taking system that contains a reduced copy of every slide in the PowerPoint presentation.

The sixth edition of Fundamentals of Corporate Finance continues its tradition of excellence ensuring the focus remains on key principles. To accommodate courses which include coverage across a wider range of topics, the authors provide additional chapters about Leasing, Mergers and Acquisitions online. Fundamentals of Corporate Finance strives to present the material in a way that makes it coherent and easy to understand. Finance Prep Courses allow students to view a video to refresh topics, and then answer questions to test their understanding. This product gives lecturers more time in class to cover finance topics, and ensures that students do not get left behind. In addition to providing students with relevant, realistic problem-solving tools, Fundamentals of Corporate Finance has the benefit of the most current and relevant research in finance.

Financial Markets and Institutions, 5e offers a unique analysis of the risks faced by investors and savers interacting through financial institutions and financial markets, as well as strategies that can be adopted for controlling and managing risks. Special emphasis is put on new areas of operations in financial markets and institutions such as asset securitization, off-balance-sheet activities, and globalization of financial services.

Many excellent books teach God's principles of finance. Perhaps they have helped you lay a strong biblical foundation for carrying out your money management responsibilities. But as you try to apply those principles to real-life investing decisions, it's easy to feel overwhelmed by jargon and the sheer number of possibilities. Sound Mind Investing is a next step guide that helps you put Godly principles of finance in motion. Whether you're a beginner or an experienced investor, you'll benefit from stepping across this bridge between theory and action. Each lesson is written in everyday English and filled with helpful visual aids. This book can help you chart your financial future by using the same concepts that have made Austin's newsletter America's best-selling investment newsletter written from a biblical perspective. Whether you invest a little or a lot, these biblical principles apply to you.
