## I See Your Soul Mate

Everything you've heard from the media, advertisements, dating services, and your friends about finding true love is, at best, too general and at worst, misleading. "I See Your Soul Mate" will help you remember who you are, what you signed up for, and how to find the partner you made a true-love agreement with before this life began.

You know you've found your soulmate when: 1. You just know it. ... People can't see your whole face, but they can definitely read your eyes. By eye contact, I don't mean a hard, creepy stare—just a gaze in the speaker's direction will do. Make it a point the next time you're in a conversation to maintain eye contact with your speaker.
