New York Times bestseller "A profound and original book, the work of a gifted thinker."--Daphne Merkin, The Wall Street Journal
Attempting to break the agonizing impasse between Israelis and Palestinians, the Israeli commentator and award-winning author of Like Dreamers directly addresses his Palestinian neighbors in this taut and provocative book, empathizing with Palestinian suffering and longing for reconciliation as he explores how the conflict looks through Israeli eyes. I call you "neighbor" because I don ' t know your name, or anything personal about you. Given our circumstances, "neighbor" might be too casual a word to describe our relationship. We are intruders into each other ' s dream, violators of each other ' s sense of home. We are incarnations of each other ' s worst historical nightmares. Neighbors? Letters to My Palestinian Neighbor is one Israeli ' s powerful attempt to reach beyond the wall that separates Israelis and Palestinians and into the hearts of "the enemy." In a series of letters, Yossi Klein Halevi explains what motivated him to leave his native New York in his twenties and move to Israel to participate in the drama of the renewal of a Jewish homeland, which he is committed to see succeed as a morally responsible, democratic state in the Middle East. This is the first attempt by an Israeli author to directly address his Palestinian neighbors and describe how the conflict appears through Israeli eyes. Halevi untangles the ideological and emotional knot that has defined the conflict for nearly a century. In lyrical, evocative language, he unravels the complex strands of faith, pride, anger and anguish he feels as a Jew living in Israel, using history and personal experience as his guide. Halevi ' s letters speak not only to his Palestinian neighbor, but to all concerned global citizens, helping us understand the painful choices confronting Israelis and Palestinians that will ultimately help determine the fate of the region.

Winner of the Everett Family Jewish Book of the Year Award (a National Jewish Book Award) and the RUSA Sophie Brody Medal. In Like Dreamers, acclaimed journalist Yossi Klein Halevi interweaves the stories of a group of 1967 paratroopers who reunited Jerusalem, tracing the history of Israel and the divergent ideologies shaping it from the Six-Day War to the present. Following the lives of seven young members from the 55th Paratroopers Reserve Brigade, the unit responsible for restoring Jewish sovereignty to Jerusalem, Halevi reveals how this band of brothers played pivotal roles in shaping Israel ' s destiny long after their historic victory. While they worked together to

reunite their country in 1967, these men harbored drastically different visions for Israel's future. One emerges at the forefront of the religious settlement movement, while another is instrumental in the 2005 unilateral withdrawal from Gaza. One becomes a driving force in the growth of Israel's capitalist economy, while another ardently defends the socialist kibbutzim. One is a leading peace activist, while another helps create an anti-Zionist terror underground in Damascus. Featuring an eight pages of black-and-white photos and maps, *Like Dreamers* is a nuanced, in-depth look at these diverse men and the conflicting beliefs that have helped to define modern Israel and the Middle East.

A brilliantly observed memoir of an unprecedented and remarkable spiritual journey. While religion has fuelled the often violent conflict plaguing the Holy Land, Yossi Klein Halevi wondered whether it could be a source of unity as well. To find the answer, this religious Israeli Jew began a two-year exploration to discover a common language with his Christian and Muslim neighbours. He followed their holiday cycles, befriended Christian monastics and Islamic mystics, and joined them in prayer in monasteries and mosques in Israel, the West Bank, and Gaza. At the Entrance to the Garden of Eden traces that remarkable spiritual journey. Halevi candidly reveals how he fought to reconcile his own fears and anger as a Jew to relate to Christians and Muslims as fellow spiritual seekers. He chronicles the difficulty of overcoming multiple obstacles—ideological, political, historical, and psychological—at separate believers of the three monotheistic faiths. And he introduces a diverse range of people attempting to reconcile the dichotomous heart of this sacred place—struggle central to Israel, but which resonates for us all.

Discover the secrets to a fearless, meaningful life, found in the wisdom of Jewish scripture. Today, more than ever, we act out of fear. We fear change, rejection, failure, and suffering. But what if we could find a way to live that challenges conventional Western psychology and looks to the future instead of picking over the past? What if we could replace our fear with purpose, and discover our potential for growth instead of focusing on our limits? *What Would You Do If You Weren't Afraid?* draws on a wide range of chassidus (Jewish principles) to offer a new philosophy for life. With its uplifting belief that you already have all the ingredients within and around you to lead a joyous life, this ebook will help you to reconnect with your courage and move forward freely, without fear.

A snapshot of Israel and the West Bank in the 1980s, through the voices of its inhabitants, from the National Jewish Book Award-winning author of *Judas*. Notebook in hand, renowned author and onetime kibbutznik Amos Oz traveled throughout his homeland to talk with people—workers, soldiers, religious zealots, aging pioneers, desperate Arabs, visionaries—asking them questions about Israel's past, present, and future. Observant or secular, rich or poor, native-born or new immigrant, they shared their points of view, memories, hopes, and fears, and Oz recorded them. What emerges is a distinctive portrait of a changing nation and a complex society, supplemented by Oz's own observations and reflections, that reflects an insider's view of a country still forming its own identity. In *The Land of Israel* is “an exemplary instance of a writer using his craft to come to grips with what is happening politically and to illuminate certain aspects of Israeli society that have generally been concealed by polemical formulas” (The New York Times).

A Palestinian-American activist recalls his adolescence in Gaza during the Second Intifada, and how he made a strong commitment to peace in the face of devastating brutality in this moving, candid, and transformative memoir that reminds us of the importance of looking beyond prejudice, anger, and fear. "Captivating."--Robin Wright, *The New Yorker* Yousef Bashir's story begins in Gaza, on a verdant ten-acre farm beside an Israeli settlement and military base. When the soccer-mad Yousef was eleven, the Second Intifada exploded. First came the shooting, then the occupation. Ordered to leave their family home, Yousef's father refused, even when the Israeli soldiers moved in, seizing the top two floors. For five long years, three generations of the Bashir family were virtual prisoners in their own home. Despite this, Yousef's father—a respected Palestinian schoolteacher whose belief in coexisting peacefully with his Israeli neighbors was unshakeable—treated the soldiers as honored guests. His commitment to peace was absolute. Though Yousef's family attracted international media attention, and received letters of support from around the world, Yousef witnessed the destruction of his home, his neighborhood, and the happy life he had known with growing frustration and confusion. For the first time he wondered if his father's belief in peace was justified and whether he was strong enough—or even wanted—to follow his example. At fifteen, that doubt was tested. Standing in his front yard with his father and three United Nations observers, he was shot in the spine by an Israeli soldier, leaving him in a wheelchair, paralyzed from the waist down, for a year. While an Israeli soldier shot him, it was Israeli doctors who saved Yousef and helped him eventually learn to walk again. In the wake of that experience, Yousef was forced to reckon with the words of his father. And like the generous, empathetic man who raised him, he too became an outspoken activist for peace. Amid the tragedy of the ongoing Middle Eastern conflict, *The Words of My Father* is a powerful tale of moral awakening and a fraught, ferocious, and profound relationship between a son and his father. Bashir's story and the ideals of peace and empathy it upholds are a soothing balm for these dangerous and troubled times, and a reminder that love and compassion are a gift—and a choice.

New York Times bestseller "A profound and original book, the work of a gifted thinker."--Daphne Merkin, *The Wall Street Journal* Attempting to break the agonizing impasse between Israelis and Palestinians, the Israeli commentator and award-winning author of *Like Dreamers* directly addresses his Palestinian neighbors in this taut and provocative book, empathizing with Palestinian suffering and longing for reconciliation as he explores how the conflict looks through Israeli eyes. *Letters to My Palestinian Neighbor* is one Israeli's powerful attempt to reach beyond the wall that separates Israelis and Palestinians and into the hearts of "the enemy." In a series of letters, Yossi Klein Halevi explains what motivated him to leave his native New York in his twenties and move to Israel to participate in the drama of the renewal of a Jewish homeland, which he is committed to see succeed as a morally responsible, democratic state in the Middle East. Halevi's letters speak not only to his Palestinian neighbor, but to all concerned global citizens, helping us understand the painful choices confronting Israelis and Palestinians that will ultimately help determine the fate of the region.

Two prominent Israeli liberals argue that for the conflict between Israel and the Palestinians to end with peace, Palestinians must come to terms with the fact that there will be no "right of return." In 1948, seven hundred thousand Palestinians were forced out of their homes by the first Arab-Israeli War. More than seventy years later, most of their houses are long gone, but millions of their descendants are still registered as refugees, with many living in refugee camps. This group—unlike countless others that were displaced in the aftermath of World War II and other conflicts—has remained unsettled, demanding to settle in the state of Israel. Their belief in a "right of return" is one of the largest obstacles to successful diplomacy and lasting peace in the region. In *The War of Return*, Adi Schwartz and Einat Wilf—both liberal Israelis supportive of a two-state solution—reveal the origins of the idea of a right of return, and explain how UNRWA - the very agency charged with finding a solution for the refugees - gave in to Palestinian, Arab and international political pressure to create a

Read PDF Letters To My Palestinian Neighbor

permanent “ refugee ” problem. They argue that this Palestinian demand for a “ right of return ” has no legal or moral basis and make an impassioned plea for the US, the UN, and the EU to recognize this fact, for the good of Israelis and Palestinians alike. A runaway bestseller in Israel, the first English translation of The War of Return is certain to spark lively debate throughout America and abroad.

A personal, spirited, and concise timeline spanning Biblical times to today that explores one of the most fascinating countries in the world--Israel.
