Myles Textbook for Midwives - 16th Edition

The content and format of this edition of Myles has been developed in response to the collated views from students and midwives regarding the fifteenth edition. Midwifery practice clearly should always be informed by the best possible up-to-date evidence and, whilst it is acknowledged that it is impossible to expect any new text to contain the most contemporary of research and systematic reviews, this edition provides the reader with annotated further reading and appropriate websites in ...
