"Captain Dominika Egorova of the Russian Intelligence Service (SVR) has returned from the West to Moscow. She despises the men she serves, the oligarchs, and crooks, and thugs of Putin's Russia. What no one knows is that Dominika is working for the CIA as Washington's most sensitive penetration of SVR and the Kremlin. As she expertly dodges exposure, Dominika deals with a murderously psychotic boss; survives an Iranian assassination attempt; escapes a counterintelligence ambush; rescues an arrested agent and exfiltrates him out of Russia; and has a chilling midnight conversation in her nightgown with President Putin. Complicating these risks is the fact that Dominika is in love with her CIA handler, Nate Nash, and their lust is as dangerous as committing espionage in Moscow. And when a mole in the SVR finds Dominika's name on a restricted list of sources, it is a virtual death sentence."--

Navigating brutal enemies in her espionage work for the CIA, a Russian Intelligence agent pursues a life-threatening affair with her CIA handler before she is discovered by a mole. By the Edgar Award-winning author of Red Sparrow. Tour.

The “terrifically good” (The New York Times Book Review) finale in the New York Times bestselling Red Sparrow trilogy continues the dangerous entanglements of Russian counterintelligence chief Dominika Egorova and her lover, CIA agent Nate Nash, on the hunt for a Russian agent working in the US government. Russian president Vladimir Putin is planning the covert assassination of a high-ranking US official with the intention of replacing him with a mole whom Russian intelligence has cultivated for more than fifteen years. Catching wind of this plot, Dominika, Nate, and their CIA colleagues must unmask the traitor before he or she is able to reveal that Dominika has been spying for years on behalf of the CIA. Any leak, any misstep, will expose her as a CIA asset and result in a one-way trip to a Moscow execution cellar. Ultimately, the lines of danger converge on the spectacular billion-dollar presidential palace on the Black Sea during a power weekend with Putin’s inner circle. Does Nate sacrifice himself to save Dominika? Does Dominika forfeit herself to protect Nate? Do they go down together? With a plot ripped from tomorrow’s headlines, *The Kremlin’s Candidate* is “both timely and timeless; an espionage tale that takes the reader behind and beyond the headlines of Russia’s assault on America” (Nelson DeMille).

SOON TO BE A MAJOR MOTION PICTURE starring Jennifer Lawrence, Joel Edgerton and Jeremy Irons. Dominika Egorov, former prima ballerina, is sucked into the heart of Putin's Russia, the country she loved, as the twists and turns of a betrayal and counter-betrayal unravel. American Nate Nash, idealistic and ambitious, handles the double agent, codenamed MARBLE, considered one of CIA's biggest assets. He needs to keep his identity secret for as long as the mole can keep supplying golden information. Will Dominika be able to unmask MARBLE, or will the mission see her faith destroyed in the country she has always passionately defended? 'A great and dangerous spy-game is being played today between Russian intelligence and the CIA. Very few people know about it, including many of our politicians in Washington. But Jason Matthews does, and his thrilling Red Sparrow takes us deep inside this treacherous world. He's an insider's insider. He knows the secrets. And he is also a masterful story-teller. I loved this book and could not put it down. Neither will you' Vince Flynn 'Not since the good old days of the Cold War has a classic spy thriller like Red Sparrow come along. Jason Matthews is not making it up; he has lived this life and this story, and it shows on every page. High-level espionage, pulse-pounding danger, sex, double agents and double crosses. What more can any reader want?' Nelson DeMille

Urgent, topical and shot through with insider knowledge, the final thriller in the Red Sparrow trilogy is writing on a grand scale. 'Matthews beguilingly blends the fun and sexiness of Ian Fleming with the more procedural, information-rich approach of John le Carre and Frederick Forsyth' Sunday Times 'A

provocative and timely novel exploring the notion of Russian influence in the US's corridors of power' Guardian Russian counterintelligence chief Colonel Dominika Egorova has been an asset of the CIA for over seven years. She has also been in a forbidden and tumultuous love affair with her handler Nate Nash, mortally dangerous for them both, but irresistible. In Washington, a newly installed administration is selecting its cabinet members. Dominika hears whispers of a Russian operation to place a mole in a high intelligence position. If the candidate is confirmed, the Kremlin will have access to the identities of CIA assets in Moscow, including Dominika. Dominika recklessly immerses herself in the palace intrigues of the Kremlin, searching for the mole's identity and stealing secrets before her time runs out. With a plot ripped from tomorrow's headlines, *The Kremlin's Candidate* is a riveting read and a thrilling conclusion to the trilogy than began with *Red Sparrow* and *Palace of Treason*.

In 1728 a stranger handed a letter to Governor Yue calling on him to lead a rebellion against the Manchu rulers of China. Feigning agreement, he learnt the details of the plot and immediately informed the Emperor, Yongzheng. The ringleaders were captured with ease, forced to recant and, to the confusion and outrage of the public, spared. Drawing on an enormous wealth of documentary evidence - over a hundred and fifty secret documents between the Emperor and his agents are stored in Chinese archives - Jonathan Spence has recreated this revolt of the scholars in fascinating and chilling detail. It is a story of unwordly dreams of a better world and the facts of bureaucratic power, of the mind of an Emperor and of the uses of his mercy.

A warning to all young ladies of delicate breeding who wish to embark upon lives of adventure: Don't. Sixteen-year-old Peggy is a well-bred orphan who is coerced into posing as a lady in waiting at the palace of King George I. Life is grand, until Peggy starts to suspect that the girl she's impersonating might have been murdered. Unless Peggy can discover the truth, she might be doomed to the same terrible fate. But in a court of shadows and intrigue, anyone could be a spy perhaps even the handsome young artist with whom Peggy is falling in love . . . History and mystery spark in this effervescent series debut.

The *Stone Girl* is a riveting tale of deception, vengeance, and power set against the haunting beauty of the Adirondack wilderness. Deep in the Adirondack Mountains lies a speck of a town called Rangeley. There isn't much to this tiny town, but it is at the crossroads of serene fishing streams off the Mink River, pristine hunting grounds in the surrounding mountains, and vast estates of the extremely rich. It is also the gateway to the Mohawk Club, which houses the Lost Boys, an exclusive group of wealthy and powerful men with global influence and a taste for depravity. Raised wild and poor in the shadows of the

## Access Free Palace Of Treason Discover What Happens Next After The Red Sparrow Starring Jennifer Lawrence

Mohawk Club, Evie Quimby was a teenager when she first fell victim to the Lost Boys. Seventeen years later, she is now a world-renowned art restorer famous for repairing even the most-broken statues. After spending half her life in Paris, establishing her reputation and raising her daughter Chloé, Evie has come a long way from the girl who left Rangeley behind. But when Chloé receives a visit from an elegant stranger who claims to be an old friend of her mother's, the ghosts of Evie's past return in full force, pulling her back to the North Country of her girlhood and into the tangled, intricate web of the Lost Boys. Evie bands together with her formidable mother and an embattled heiress, both victims of the Lost Boys, in pursuit of an unusual and heart-stopping vengeance.

"Red to Black has more in common with the elegantly paced books of John le Carré than it does with Ian Fleming's James Bond novels. But readers who appreciate a healthy dose of real-world worries in their spy novels won't complain." —Richmond Times-Dispatch Gorky Park for the Putin era, Red To Black by Alex Dryden could have been ripped from recent headlines. At once a spy thriller, a love story, and a chilling look at a dangerously resurgent superpower, it is a masterful work that Stephen Fry calls, "Brilliant and unforgettable...Nothing short of miraculous." Welcome to the New Russia.

The #1 New York Times bestseller and subject of the acclaimed major motion picture Bridge of Spies directed by Steven Spielberg, starring Tom Hanks as James B. Donovan. Originally published in 1964, this is the "enthral...truly remarkable" (The New York Times Book Review) insider account of the Cold War spy exchange—with a new foreword by Jason Matthews, New York Times bestselling author of Red Sparrow and Palace of Treason. In the early morning of February 10, 1962, James B. Donovan began his walk toward the center of the Glienicke Bridge, the famous "Bridge of Spies" which then linked West Berlin to East. With him, walked Rudolf Ivanovich Abel, master spy and for years the chief of Soviet espionage in the United States. Approaching them from the other side, under equally heavy guard, was Francis Gary Powers, the American U-2 spy plane pilot famously shot down by the Soviets, whose exchange for Abel Donovan had negotiated. These were the strangers on a bridge, men of East and West, representatives of two opposed worlds meeting in a moment of high drama. Abel was the most gifted, the most mysterious, the most effective spy in his time. His trial, which began in a Brooklyn United States District Court and ended in the Supreme Court of the United States, chillingly revealed the methods and successes of Soviet espionage. No one was better equipped to tell the whole absorbing history than James B. Donovan, who was appointed to defend one of his country's enemies and did so with scrupulous skill. In Strangers on a Bridge, the lead prosecutor in the Nuremberg Trials offers a clear-eyed and fast-paced memoir that is part procedural drama, part dark character study and reads like a noirish espionage thriller. From the first interview with Abel to the exchange on the bridge in Berlin—and featuring unseen photographs of

## Access Free Palace Of Treason Discover What Happens Next After The Red Sparrow Starring Jennifer Lawrence

Donovan and Abel as well as trial notes and sketches drawn from Abel's prison cell—here is an important historical narrative that is “as fascinating as it is exciting” (The Houston Chronicle).
