Presents a narrative history of the American National Park System, examining the events and political battles that led to the establishment of each park while profiling each for its unique attributes, in a volume that also pays tribute to key advocates.

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Focuses on a crucial two-day battle in Vietnam that was also marked by an ill-fated protest by University of Wisconsin students at the Dow Chemical Company, in an hour-by-hour narrative.

A young readers' edition of an important and inspiring true story of hope and survival during World War II. Fourteen-year-old Lisa Jura was a musical prodigy who hoped to become a concert pianist. But when Hitler's armies advanced on pre-war Vienna, Lisa's parents were forced to make a difficult decision. Able to secure passage for only one of their three daughters through the Kindertransport, they chose to send gifted Lisa to London for safety. As she yearned to be reunited with her family while she lived in a home for refugee children on Willesden Lane, Lisa's music became a beacon of hope. A memoir of courage and the power of music to uplift the human spirit, this compelling tribute to one special young woman and the lives she touched will both educate and inspire young readers.

The twentieth-anniversary edition of Marion Blumenthal Lazan's acclaimed Holocaust memoir features new material by the author, a reading group guide, a map, and additional photographs. "The writing is direct, devastating, with no rhetoric or exploitation. The truth is in what's said and in what is left out."—ALA Booklist (starred review) Marion Blumenthal Lazan's unforgettable and acclaimed memoir recalls the devastating years that shaped her childhood. Following Hitler's rise to power, the Blumenthal family—father, mother, Marion, and her brother, Albert—were trapped in Nazi Germany. They managed eventually to get to Holland, but soon thereafter it was occupied by the Nazis. For the next six and a half years the Blumenthals were forced to live in refugee, transit, and prison camps, including Westerbork in Holland and Bergen-Belsen in Germany, before finally making it to the United States. Their story is one of horror and hardship, but it is also a story of courage, hope, and the will to survive. Four Perfect Pebbles features forty archival photographs, including several new to this edition, an epilogue, a bibliography, a map, a reading group guide, an index, and a new afterword by the author. First published in 1996, the book was an ALA Notable Book, an ALA Quick Pick for Reluctant Readers, and IRA Young Adults' Choice, and a Notable Trade Book in the Field of Social Studies, and the recipient of many other honors. "A harrowing and often moving account."—School Library Journal

Based on the popular and revolutionary PBS multiplatform documentary project, an inspiring and striking photographic portrait that brilliantly captures the tumultuous, historic year that was 2020, offering an intimate look at the heart and soul of our national life and what it means to be an American today, revealed through the stories of ordinary people from sea to shining sea. Everyone has a story . . . In January 2020, in celebration of its 50th anniversary, PBS launched an ambitious national storytelling project, American Portrait, inviting people across the country to participate in a national conversation about what it means to be an American today. The multiplatform experience, including a television series that will air on PBS stations nationwide in January 2021, has created a communal voice through the individual stories of participants—each one a unique stitch in the beautiful, diverse quilt that is America. A vivid yet nuanced snapshot of who we are, this visually striking companion volume features more than 400 entries and photographs, all which began with an answer to a simple cue: My American story started when . . . You don't know what it's like to . . . My greatest challenge is . . . The tradition I carry on is . . . I was raised to believe . . . What keeps me up at night is . . . I took a risk when . . . When I step outside my door . . . Most days I feel . . . Told by people of all ages, orientations, and walks of life, these unique stories of joy, adversity, love, sacrifice, grief, sharing, triumph, and grace, centered on the themes of family, work, fun, faith, and community, illuminate the struggles, hopes, dreams, and convictions of Americans today. The more we share with our fellow citizens, the more we can see a real, complex, and fascinating representation of our country that is far richer and deeper than headlines and elections tell us. As intriguing, thoughtful, and distinct as the nation it embodies, American Portrait is a photographic manifestation of Walt Whitman's immortal words, "I am large. I contain multitudes"—and a vital and ultimately hopeful reminder that what we all share is much greater and enduring than what may divide us.
