Author, S.E. Hinton (original book) and Secondary Solutions (Author of the guide book, sort of). Question and Answer may not be the same in the book.

Question And Answer: study guides and answers on Quizlet

A question may suggest an answer, as leading questions and many instances of that rather heterogeneous group of what are called rhetorical questions do, and this is Berkeley's technique in *The Querist*. But it doesn't follow from the nonassertiveness of questioning that questions are suppositions—that is, unasserted propositions.
