French Cookbook by Emma Yang, you will learn how to prepare at home 70 French recipes for traditional and perfect French recipes. Where did the chef as profession come up for the first time? That's easy: France. In a country with rich lands, amazing landscapes and lot of resources, where nobles used to spend their lives ruling on vast areas, it is not a surprise that people started to offer personal cooking services to the local lords. Professional chefs started to populate the strict cycles of the lords and with their ideas, cooking skills and a bit of luck, they turned their fortunes, becoming around 400 years ago the first professional cooks.
