To recharge the air

Access Free Recharging A C In 2000 Ford Expedition

conditioner in your car, first you'll need to repair any leaks in the air conditioning system using a sealant. Then, check the pressure in the system using a pressure gauge hose to make sure it's above 0. If

Access Free Recharging A C In 2000 Ford Expedition

the pressure is below 0,
you'll need to have the
system repaired by a
professional.
