"ONE OF THE BEST VIETNAM WAR STORIES I'VE EVER READ, one damn good, compelling read. It's almost something out of a Clancy novel, yet it's true. The best thing I can say about it is I didn't want it to end." --Col. David Hackworth, New York Times bestselling author of About Face By the spring of 1970, American troops were ordered to pull out of Vietnam. The Marines of 1st Reconnaissance Battalion, commanded by Lieutenant Colonel "Wild Bill" Drumright, were assigned to cover the withdrawal of 1st Marine Division. The Marines of 1st RECON Bn operated in teams of six or seven men. Heavily armed, the teams fought a multitude of bitter engagements with a numerically superior and increasingly aggressive enemy. Michael C. Hodgins served in Company C, 1st RECON Bn (Rein), as a platoon leader. In powerful, graphic prose, he chronicles his experience as a patrol leader in myriad combat situations--from hasty ambush to emergency extraction to prisoner snatch to combined-arms ambush. . . . "THIS MEMOIR IS GRIPPING." --American Way

By, For, and About Marines is a nonfiction collection of notable quotes giving voice to U.S. Marines throughout its storied and illustrious history. Each quote is set in historical context to give the reader a better understanding of where, when, and why the quote is included.

In 1st Force Recon you performed at a very high level of proficiency. Or you died. . . . In 1969, First Lieutenant Bill Peters and the Force Recon Marines had one of the most difficult, dangerous assignments in Vietnam. From the DMZ to the Central Highlands, their job was to provide strategic and operational intelligence to insure the security of American units as the withdrawal of the troops progressed. Making perilous helicopter inserts deep in the Que Son Mountains, where the constant chatter of AK-47 rifle fire left no doubt who was in charge, Peters and the other men of 1st Force Recon Company risked their lives every day in six-man teams, never knowing whether they would live to see the sunset. Peters's accounts of silently watching huge movements of heavily armed NVA regulars, prisoner snatches, sudden-death

ambushes, and extracts from fiercely fought firefights vividly capture the realities of Recon Marine warfare, and offer a gritty tribute to the courage, heroism, and sacrifice of the U. S. Marines. . . .

Michael Mahana's personal disclosure to his parents leads to the uncovering of another family secret - about his uncle, Sam, who had fought in the Vietnam War. Now, armed with his uncle's diary, Michael goes searching for the truth about his uncle, about the secret the Mahana family has kept hidden for over thirty years, and what happened to Sam. Set in the war-torn jungles of Vietnam and in present-day New Zealand and North America, Witi Ihimaera's dramatic novel combines the superb story-telling of Bulibasha, King of the Gypsies with the unflinching realism of Nights in the Gardens of Spain. A powerful love story, it courageously confronts Maori attitudes to sexuality and masculinity and contains some of Ihimaera's most passionate writing to date. Also available as an eBook

When Johnny Comes Marching Home Again tells the stories of three soldiers in three wars. Three soldiers. Each someone's Johnny. Father, son. Brother, cousin. Husband, lover. Just plain buddy. Three conflicts. The Civil War, pitting North against South, Yank against Johnny Reb, brother against brother. The Vietnam War, North-South strife with Orwellian overtones. The War on Terror, Afghanistan theater. Three stories in screenplay format: "Owl Creek Bridge," based on the Civil War stories of Ambrose Bierce. "Sleeping With Charlie," adapted from the author's novel Solomon's Bluff. "Dawn's Early Light," inspired by a Leo Tolstoy story and a cinematic rendition by Sergei Bodrov Senior.

Excerpt: ¶I watched two point men take a 50-caliber machine gun bullet to the head, and watched the third being grabbed and taken behind enemy lines. Two of the enemy soldiers, which we often referred to as gooks, quickly came after me. As I quickly mowed them down with my automatic rifle, I crawled backwards away from the enemy gunfire, using my helmet to push sand in front of me as I went, which made it possible to look behind me. But as I looked back, I realized that my safety net was no longer safe. I saw my entire company falling like dominoes. Medics were running left and right, risking their lives to help others with bravery that even the most amazing soldier couldn't hope to match. Some of the events I witnessed during that moment were beyond comprehension. I watched a young, courageous black medic take an 81-millimeter round to his head, and his whole body instantly turned to smoke. Young nineteen and twenty year old kids were crying like children, but fighting like someone had raped their sisters. So many things were going through my head at that moment, and in one single heartbeat I was overwhelmed with a flashback of my entire life. This is my story, from point A to B, of my life and times in the midst of hell on Earth.¶ Keywords: vietnam , vietnam war , war novel , war , war book , biography , autobiography

It is 1966, when a nineteen-year-old boy from Three Rivers, Michigan, follows family tradition by enlisting in the United States Navy. A plan which he "thinks" will guarantee an uneventful tour of duty aboard a US naval ship goes awry when he is deposited in the middle of a war zone in South Vietnam. For the next gruelling year, he performs the duties of a fleet marine force medic, caring for wounded and dying American marines. Dubbed Doc John by his comrades, he soon becomes entrenched in a strange, dangerous world, where he becomes both witness and reluctant warrior. Whether he is patching up wounded comrades or placing Band-Aids on scrapes of native children, young Doc John somehow manages to do an impossible job, even as the world is falling down around him. He not only learns the sad lessons of war, but survives them and finds himself in the process. These are the experiences of a different kind of soldier, who manages to traverse a

minefield of emotional upheaval and can still tell his stories with honesty and self-deprecating humor, exemplifying the resiliency of the human spirit.

The shocking true story of Edmund Ciriello, an intelligence operative, who had a license to kill and the compassion to save lives. A compelling memoir about covert life in the shadows as only an insider can tell it. From his first mission behind enemy lines during the Korean War, to his rescue attempt of two kidnapped girls held in Saudi Arabia during Desert Storm, Ciriello takes us inside his mysterious world. His many years in Chicago and Hollywood are an exciting and hilarious journey through the real world of private investigations. An explosive book relevant to the crises facing the world and the real reasons behind them.
