Ancient Egyptian Tantra - Enlightenment City

Sacred Sexuality in Ancient Egypt reveals the intimate details of a society in which sexuality was the dynamic principle of the divine world, and the cosmic symbolism of religion imbued every level of Egyptian society with sexual significance.

Sacred Sexuality in Ancient Egypt - Inner Traditions

Sacred sex is often associated with Tantra. Tantric techniques are designed to use sexual energy to reach higher or altered states of consciousness. In other words, sacred sex brings the physical act of lovemaking to a whole new realm of highly pleasurable and powerful mind-body connections with your partner.

You may have heard that Tantra is full of obscenities or that it has something to do with black magic. Forget that. As a matter of fact, Tantra involves practices such as yoga, meditation, and the reading of sacred texts - elements that are common in other religions. Different traditions within Tantra choose to focus on different combinations of these practices, but they are certainly not ...

Sexual energy is a necessary part of awakening and enlightenment, and the ancient Egyptians were fully aware of this. The practice, study and employment of sacred sex was a vital piece of their esoteric learning. I was disappointed to find the authors ignoring this aspect completely. After reading the book, the title is misleading.
