God's Angels are organized according to a certain hierarchy. The first Hierarchy of Angels is the one closest to God. It includes three Angelic Choirs, i.e. the Seraphim, the Cherubim, and the Thrones. The Seraphim are special beings, Archangels driven by the fire of God's Love; they transmit this fire to the Choirs that stand below them.

~~God's Angels — Celestial Creatures that always protect us!~~

Angels are beings created by God who not only share his messages, but also actively do his will, encourage believers, and fight spiritual battles on our behalf. The word angel comes from a Greek word that literally means "messenger," and angels are often seen bringing messages from God to us.

~~What Do We Know about Angels in the Bible?~~

The theological study of angels is known as "angelology". Those expelled from Heaven are called fallen angels, distinct from the heavenly host. Angels in art are usually shaped like humans of extraordinary beauty. They are often identified in Christian artwork with bird wings, halos, and divine light.

Angels haven't always existed. According to Scripture, they're part of the universe God created. In a passage that refers to angels (the "host" or "armies" of heaven), we read, "You are the Lord, you alone; you have made heaven, the heaven of heavens, with all their host... and the host of heaven worships you" (Nehemiah 9:6).

God's name of Yahweh Saoboth is translated "God of the angels." It is God who controls our lives and in doing so He has the power to utilize the talents of His angels to deliver messages, execute His judgments (such as upon Sodom and Gomorrah), and any other assignment God deems to be appropriate.

~~Purpose of Angels - God - AllAboutGOD.com~~

These are the angels that sinned and were therefore expelled from the presence of God in heaven. The Bible generally refers to them as demons, unclean spirits or devils. They were already in heaven and were given powers and other splendours, but they were overtaken by their lust for power, and so they wanted to be like God, their creator.

"Angels are a large part of reality and, as with other large parts of reality—speeding Mack trucks, for example, or looming brick walls—we benefit greatly from their service, and we ignore them at our peril."—From the Introduction Angels are everywhere—as a matter of fact, right at your side. Forget the sweet-faced cherubs of popular culture, however, and brace yourself for a far more potent reality: powerful heavenly beings who play a significant role in the personal drama of daily life—your life.

Dispels the sweet-faced cherubs of popular culture, arguing a far more potent reality: that angels are powerful heavenly beings who play a significant role in the personal drama of daily life—your life--and are everywhere, even right at your side. Original.

The well-known evangelist explains the characteristics of angels as well as their purposes and significance in the contemporary world

In the early books of the Old Testament, the mysterious "Angel of the Lord" repeatedly appears-visibly, audibly, even physically-to the Patriarchs, to Moses, to the Prophets. Who is this Angel? Exploring the biblical texts, the testimony of church history, and the insights of Systematic Theology, Matt Foreman and Doug Van Dorn argue that the answer is beyond doubt: the Angel of the Lord is a manifestation of God the Son. Even more, they argue that this Angel appears more often than people realize, because he appears under different titles, including: the Word, the Name, the Glory, the Face, the Right Hand, even the Son. They show that even some of the ancient Jews spoke of a Second Yahweh in the Old Testament. Christian theologians throughout history have taught this same understanding. Christians today need to be taught again how the Person of Jesus appears throughout the Bible and how he speaks to us today.

Throughout her life—from childhood to adulthood, author Veronica Matthews has been touched by God's angels. She believes God sends his angels to protect us from harm, to guide us when we need direction, and to minister to us when we have a broken heart and feel hopeless. In *God's Angels Walk among Us*, she shares personal accounts of her encounters with God's angels and also calls on scripture to describe and discuss these important beings. Matthews tells how God dispatches his angels to comfort you, give you faith, and encourage you to believe God has a plan for your life. Uplifting, inspirational, and insightful, *God's Angels Walk among Us* delivers a message about the importance of having hope and the trust in God to overcome the difficulties and hardships in life regardless of the circumstances. God is always working behind the scenes, whether you see it or not.

Would You Recognize an Angel if You Saw One? The majority of earth's inhabitants believe in Angels. Yet so few of us can claim to have seen one. Why? Perhaps it's because in order to encounter one, we first have to learn what to look for and how to look! We live in a world where the natural and supernatural overlap. Angels are constantly on mission from God and constantly at work in this world. From the Garden of Eden to the Book of Revelation, Scripture is filled with hundreds of references to these wondrous creatures. In this creative work, Scot McKnight explores what the Bible says – and doesn't say – about these majestic beings. And that's deeply important because angels are still on mission today. They express God's love, confirm His presence, and even lead humans in redemptive worship. Don't just believe in angels. Learn how to recognize these messengers of God that are all around us and know how God might be using them to affect our lives. Most People Believe in Angels. It's What we Believe About them that Matters. Believing in angels is one thing. But how can we know what angels are really like – especially when our preconceived notions have been mostly shape by sensationalized misinterpretations of these wondrous beings? To help sort things out, Scot McKnight untangles fact from fiction on topics such as: * Do loved ones become angels when they die? * Can we hear from angels? * Is there a hierarchy of angels? * Do we have a specific guardian angel? * Should we be scared of angels? * Are cherubs and seraphs different creatures than angels? * Do angels have wings? * Are angels worship leaders? *The Hum of Angels* illuminates what the Bible says about these heavenly beings; and it helps you to understand the deepest truths about one of God's most magnificent and yet misunderstood creations.

Angels are God's messengers and His spirit army, and they are very numerous. Make no mistake, angels do exist! They exist to serve "those who will inherit salvation". But because they are invisible, we tend to forget their role in carrying out God's purpose and plan. Many angels have been given the duty of serving our needs, and their responsibilities and assignments may change with circumstances. There is an entire realm of divine activity that human eyes cannot perceive--at least not without God's unveiling grace. The angels belong to this invisible world.

"What do angels do all day, Papa?" When Papa finds Little Cub looking for angels, it gives him a chance to tell his beloved child about those that may be in their midst, even when they can't be seen. Exploring their exhilarating Arctic world as they talk, Papa lovingly answers all of Little Cub's questions about angels—and as usual, she has a lot. She wants to know what they do, how they look, how they guard God's loved ones, and best of all, how they serve the Creator of the world. "God really created angels to serve him more than us, Little Cub. They love him and would do anything for him." This uplifting tale will encourage young hearts by exploring the glory and design of God's messengers, while turning toward him with praise. Angels are God's messengers, but sometimes we have difficulty comprehending the messages they bring because we don't understand the languages they use to speak to us. We need a "Rosetta Stone" to decipher them, and Kathy Mursch provides us with just that in *The Secret Language of Angels*. In this book, she describes the five angel languages - feeling, seeing, hearing, knowing, and dreams and visions - and shows us specifically what to look for in the messages that are being delivered to us at all times. In addition to explaining each of the languages, Kathy provides brief anecdotes of how each has shown up in her personal communications with God. She also calls on Biblical evidence where certain figures were visited by angels "speaking" one of these five languages. The purpose of this book is to help readers strengthen or reinvigorate their connection to God by giving them the tools to hear God's messages directly from their own angels.
