The Darkness is a fast paced story of survival that brings the apocalypse to Main Street USA While the world falls apart Jacob Anderson barricades his family behind locked doors. News report's tell of civil unrest in the streets, murders, disappearances, citizens are warned to remain behind locked doors. When Jacob becomes witness to horrible events and the alarming actions of his neighbors, he and his family realize everything is far worse than being reported. Every Fathers nightmare comes true as Jacob's normal life, and a promise to protect his family is torn apart. From the Best Selling Author of Whiskey Tango Foxtrot comes a new telling of Armageddon.

Jacob is a soldier in a war against a new type of enemy. He must face the Delta Horde or risk his families eviction to the refugee camps. With his fellow soldiers at his side, they struggle to survive battles with the enemy. Only together can they find a way to end the reign of The Darkness.

Jacob Anderson knows that they must make a stand and let the world know that they will not lay down quietly, especially now as the planet hangs on the brink of collapse as a new enemy invades from the sky.

In this riveting sequel to the national bestseller The Queen of the Tearling, the evil kingdom of Mortmesne invades the Tearling, with dire consequences for Kelsea and her realm. With each passing day, Kelsea Glynn is growing into her new responsibilities as Queen of the Tearling. By stopping the shipments of slaves to the neighboring kingdom of Mortmesne, she crossed the Red Queen, a brutal ruler whose power derives from dark magic, who is sending her fearsome army into the Tearling to take what is hers. And nothing can stop the invasion. But as the Mort army draws ever closer, Kelsea develops a mysterious connection to a time before the Crossing, and she finds herself relying on a strange and possibly dangerous ally: a woman named Lily, fighting for her life in a world where being female can feel like a crime. The fate of the Tearling —and that of Kelsea's own soul—may rest with Lily and her story, but Kelsea may not have enough time to find out. In this dazzling sequel, Erika Johansen brings back favorite characters, including the Mace and the Red Queen, and introduces unforgettable new players, adding exciting layers to her multidimensional tale of magic, mystery, and a fierce young heroine.

Aged emperor Thelden III Arrigar's last days are approaching and the Empire's leaders are taking sides in a struggle for power between rival heirs. Blood runs in the streets and the nights are thick with intrigue. Drake Arrigar, bastard prince and half-blooded sorcerer. Darius of Lorraddon, foreign-born Initiate of a holy order of warriors sworn to the Empire. Leasha, senior maiden and chief spy for the Emperor's daughter. These three unlikely friends must navigate the coming storms as plots, violence, and unholy barbarians tear their lives apart. Their trials, failures, and triumphs will have far-reaching consequences, for their people and for their own futures.

Darkness has come to Earth, invited, but without Clarie and Patrick's knowledge. It isn't until Clarie comes face-to-face with the Darkness that she realizes the danger their beloved Earth world is in. Their fates lie in the shadow realm of Morgatha, the home of Darkness. They must help Joseph fight the deadly Shadowed Hands; their actions are governed by a centuries old myth that has taken young people who are innocent of the dark realm. With the assistance of an indigenous Light creature, they cause a chain of events that could destroy the hands of Darkness forever or deny Clarie and her friends any chance of returning to their beloved Earth world.

For centuries Weyland-Yutani has tried to weaponize the aliens. Now someone has beaten them to it, sweeping through Yautja space and turning predator into prey. Faced with the overwhelming forces of the Rage, Earth envoys forge an unprecedented alliance with the Predators. Yet even the combined might of two races may not be enough to stop the carnage, as an unstoppable swarm of Xenomorphs topples planet after planet, penetrating ever deeper into the Human Sphere.

The creator of the acclaimed Detective Murdoch Mysteries turns her exceptional storytelling skills to a murder mystery set in rural Shropshire, England, in the darkest days of the Second World War. Following the disastrous retreat of the British army from Dunkirk in 1940, England is plunged into a state of fear. The threat of a German invasion is real, and many German Nationals are interned in camps across the country. One such camp is on the ancient moor land of Prees Heath, near the small town of Whitchurch in Shropshire, where Tom Tyler is the sole detective inspector. Young women from all walks of life have joined the Land Army, to help desperate farmers keep the country fed. When one of these young women is found murdered on a desolate country road, Tyler is almost glad for the challenge; he has been fretting for some time about the dullness of policing in a rural community. In addition, a former lover has reappeared and turned his emotions upside down; his soldier son seems utterly changed by his experience at Dunkirk; and his sixteen year old daughter is unhappy. As he pursues the murderer, Tyler finds himself drawn into an uneasy alliance with one of the Prees Heath internees, a psychiatrist, who claims to be an expert on the criminal mind.

(Formerly titled Bloodline) An alien plague. A sixteen-year-old girl. A fight to save the world. When a rare meteor shower unleashes a mind-altering infection, the people Alex loves begin to change. They're smarter, faster, emotionless, and they have a plan. One that doesn't include her. Guided by cryptic clues left behind by her deceased father, Alex follows a trail of increasingly shocking discoveries. Earth's history isn't what she learned in school, and a new hive mind threatens to rewrite the future. Alex is a fighter, but pursued by both friends and an unknown enemy, it will take everything she has to fulfill her destiny. Desperate to save her little brother, she flees to the mountains surrounding her home, where the only chance for humanity has lain hidden for thousands of years. Book 1 of The Forgotten Origins Trilogy

A secret bunker. A deep darkness. Can Dan put the pieces together before the whole world is lost? Dan Tracy figured he was your average teen. Sure, he's homeschooled and had a twin who died in a weird accident a few years prior, but for the most part, he was pretty normal. While on a surprise trip to a disused Cold War bunker, his "normal" life becomes anything but. When a dark and sinister force begins spreading across the world, Dan is trapped below ground and separated from his family. As all of humanity is forced to deal with the crisis, Dan must come to terms with his new surroundings. In his search for his loved ones, he discovers the bunker is actually a state-of-the-art operations center... and Dan has been granted full access. But who is in control here? What role do they have in the havoc above ground? And what do they want with Dan? Darkness Falls is the first book in a modern-day sci-fi dystopian thriller. If you like fast-paced apocalyptic action, captivating characters, and stories that keep you reading all night long, then you'll love Paul Teague's Secret Bunker Trilogy. Buy Darkness Falls to join the fight to save humanity today! What readers are saying: The Secret Bunker set a quick pace towards a culmination of events with a meeting of all the main characters and left me gripped along the way. It's not often I pre-order the next book but I did in this case, there's no way I'm missing what happens next. I'm fascinated by the fact that Paul manages to provide an authentic teenage voice for his prime character all the way through. Looking forward to seeing what comes in the second of the trilogy which I've already pre-ordered, need I say more? Really enjoyed this adventure seen through the eyes of the teenage lead character - his voice was so true and compelling. I'm looking forward to reading the others and would rather like to go and visit the real bunker! Thoroughly enjoyed this as it keeps you intrigued all the way through. Must get on to part 2 now. I really enjoyed this book and had a hard time putting it down, I can't wait to see what happens next in book two! 5 Stars, I really enjoyed it! ... the action is intense and lots of twists and turns abound until the last page is turned. At the conclusion, the reader is left wondering about many events that are still in progress. Wow..... The characters are well defined, plot is fantastic and the ending leaves us waiting for the next part. At least February is not too far off! Most highly recommended.
