A debut entry in a new trilogy by the author of the Jenna Fox Chronicles introduces Princess Lia, who flees an unwanted marriage and expectations about her supernatural legacy only to be pursued by her jilted fiancé and a ruthless assassin.

Held captive in the barbarian kingdom of Venda, Princess Lia and Rafe have little chance of escape--and even less of being together--as the foundations of Lia's deeply-held beliefs crumble beneath her while she wrestles with her upbringing, her gift, and her very sense of self to make powerful choices that affect her country, her people, and her own destiny.

Before borders were drawn, before treaties were signed, before wars were waged anew, before the great kingdoms of the Remnant were even born and the world of old was only a hazy slate of memory told in story and legend, a girl and her family fought to survive. And that girl's name was Morrighan. In Morrighan, a prequel novella to Mary E. Pearson's The Remnant Chronicles, a girl and a boy from enemy camps meet, fall in love--and set history in motion.

Princess Lia and her love, Rafe, have escaped Venda and the path before them is winding and dangerous.

Download the first five chapters of The Kiss of Deception, the first book in Mary E. Pearson's Remnant Chronicles. In a society steeped in tradition, Princess Lia's life follows a preordained course. As First Daughter, she is expected to have the revered gift of sight-but she doesn't-and she knows her parents are perpetrating a sham when they arrange her marriage to secure an alliance with a neighboring kingdom-to a prince she has never met. On the morning of her wedding, Lia flees to a distant village. She settles into a new life, hopeful when two mysterious and handsome strangers arrive-and unaware that one is the jilted prince and the other an assassin sent to kill her. Deception abounds, and Lia finds herself on the brink of unlocking perilous secrets-even as she finds herself falling in love.

The third and final book in the New York Times-bestselling Remnant Chronicles. Lia has survived Venda-but so has a great evil bent on the destruction of Morrighan. And only Lia can stop it. With war on the horizon, Lia has no choice but to assume her role as First Daughter, as soldier-as leader. While she struggles to reach Morrighan and warn them, she finds herself at cross-purposes with Rafe and suspicious of Kaden, who has hunted her down. In this heart-stopping conclusion to the Remnant Chronicles trilogy that started with The Kiss of Deception and The Heart of Betrayal, traitors must be rooted out, sacrifices
