George Simling has grown up in the city-state of Illyria, an enclave of logic and reason founded as a refuge from the Reaction, a wave of religious fundamentalism that swept away the nations of the twenty-first century. Yet to George, Illyria's militant rationalism is as stifling as the faith-based superstition that dominates the world outside its walls. For George has fallen in love with Lucy. A prostitute. A robot. She might be a machine, but the semblance of life is perfect. To the city authorities, robot sentience is a malfunction, curable by erasing and resetting silicon minds. But George knows that Lucy is something more. His only alternative is to flee Illyria, taking Lucy deep into the religious Outlands where she must pass as human because robots are seen as mockeries of God, burned at the stake, dismembered, crucified. Their odyssey leads them through betrayal, war and madness, ending only at the monastery of the Holy Machine...

First released in the anthology Dead After Dark, dive into this hot novella from #1 New York Times bestselling author J.R. Ward. Available for the first time ever as a standalone ebook, get lost in the sinful pleasures of a vampire so obsessed with one woman, he will relinquish her blood, if only he can have her heart... Held captive by a dark, seductive vampire with an unworldly hunger, the beautiful Claire Stroughton fears her life as a lawyer has irrevocably taken a turn for the worse. But when this deeply sensual-and highly dangerous-vampire convinces Claire that his desire for her is stronger than his lust for blood, she is compelled to give everything up to him, body and soul...in The Story of Son.

the darklings will hunt once again The secret hour when time freezes arrives every night at midnight in Bixby, Oklahoma. It's a dangerous time, when five teenagers are the only humans awake and dark creatures crawl out of the shadows, but at least the midnight hour is regular and predictable. Until suddenly, the blue time comes . . . in the middle of the day. The noise of school stops. Cheerleaders are frozen in midair, teachers brought to a standstill. Everything is the haunted blue color of the midnight hour. The Midnighters can't understand what's happening, but as they scramble for answers, they discover that the walls between the secret hour and real time are crumbling. Soon the dark creatures will have a chance to feed after centuries of waiting, unless these five teenagers can find a way to stop them. A desperate race against time, a mind-blowing mystery of paranormal logic, a tale of ancient evil and spine-chilling sacrifice: blue noon is the exhilarating third volume in the Midnighters series by acclaimed author Scott Westerfeld.
