Vw A C System Guide - wiki.ctsnet.org

The air conditioning system complements the heating and ventilation system in your car. It includes a cooling system, heating, humidity controller and blower unit and works just like the heat pump in a refrigerator. In simple terms, the air is directed through an evaporator, where it loses its heat to the refrigerant.

Devices compatible with Guide & Inform: To be able to use Guide & Inform Car-Net services, your Volkswagen must have a navigation system. This includes "Discover Media" and "Discover Pro", as well as Innovision Cockpit, available for the Touareg. This way you'll be ready to use these practical online services.

Guide & Inform. Stay informed while on the road with Car-Net.

As standard equipment, the Touareg is supplied with a manual air-conditioning system. Climate zones In the manual air-conditioning system, the entire interior is pooled into one climate zone. This means that the settings made by the driver apply for the conditioning of all seats.
